

LAKE MARTIN AREA UNITED WAY

Young Leaders Society

The Lake Martin Area United Way’s Young Leaders Society is a network of passionate, young professionals (early 20s to mid-40s) who share a passion for advancing community solutions through philanthropy, volunteerism and advocacy in their own backyard. Members connect to their communities and each other through unique networking events and hands-on volunteering opportunities, leveraging the power of United Way to connect, serve and grow – both personally and professionally.

Together our Young Leaders are working as ONE to improve the lives of MANY. United Way Young Leaders are tomorrow’s community leaders and philanthropists with the tools to Give, Serve, and Inspire their local community.
