UNITED IS THE WAY

United Way mobilizes communities to action so all can thrive. How? Through our collective work in 4 IMPACT AREAS:

HEALTHY COMMUNITY

Improving health and well-being for all

YOUTH OPPORTUNITY

Helping young people realize their full potential

FINANCIAL SECURITY

Creating a stronger financial future for every generation

COMMUNITY RESILIENCY

Addressing urgent needs today for a better tomorrow

When we unite, we thrive. At United Way, we believe in the power of community. It's in the moments we show up for each other that we realize...we're building something bigger than ourselves and stronger than any challenge.

We're creating a future where everyone, in every community, has the chance to thrive.

Together, is how we get there.

NEW PROGRAM:

You See ALICE Every Day - But You Might Not Know It.

ALICE (Asset Limited, Income Constrained, Employed) cares for children, checks out groceries, delivers dinner, and helps keep everyone healthy. And yet, these **essential workers** struggle to get by, with income above the Federal Poverty Level but less than the cost of basics.

ALICE makes up 46% of the population in Alabama - that's 2 in 4 households in every community facing impossible choices - food or rent, utilities or medications, etc.

DO YOU KNOW ALICE?

Your donation helps provide assistance to ALICE in all our communities.
