2025 Campaign

Our 2025 Campaign, “Give Today, Change Tomorrow,” kicked off on Thursday, August 27 at the City of Alexander City Municipal Complex.

Tallapoosa County Employees served as our 2025 Pacesetters. Local artist, Jonathan Bloom, entertained the attendees, The Wharf Casual Seafood, once again provided a delicious meal, and Oliver Ross Bar Service provided the beverages. Mayor of Alexander City, Woody Baird, welcomed everyone to the Municipal Complex. This year we’re also inviting all our workplaces and individual donors to donate school supplies to help our area schools throughout the year, not just in August. Supplies will be collected throughout the duration of the campaign and shared among our 12 area schools.

2024-25 is also our 40th Anniversary as a United Way and we’ll have different promotions around this exciting anniversary throughout the campaign as well. We look forward to another great year as we work to support our community’s most pressing needs through the work of our 26 partner agencies and 6 community initiatives.

2024 looked different as we looked into new ideas and continued with some of our favorites like the Wedding & Event Expo, Day of Action, supporting students in summer school for reading enrichment, and much more!

We are thankful to every individual donor, business, volunteer and supporter that helped make the **2025 campaign a success by raising \$522,234.13 (or 101%) of our goal!**

**GIVE TODAY.
CHANGE TOMORROW.**

Red Feather Society

In 1998, several community leaders felt they should take the lead in contributing to the United Way and started the Red Feather Society with 9 founding members, each giving at least \$1,000. This dedicated group of leaders has grown to 147 members in 2024, representing 47% of our annual campaign.

Our Young Leaders Society, founded in 2015, has grown to 15 members, each giving at least \$500.

Our heartfelt thanks to each of these members for their unwavering support!

2-1-1 Connects

2-1-1 is an important tool for our United Way and community at-large. The high costs of good and services, extreme temperatures and difficulty making ends meet for many across our area means 2-1-1 is in high demand. **In 2024, 1,167 calls were made to 2-1-1 from across our area.**

Callers were seeking assistance primarily with energy assistance, housing, food and health needs. This statewide service provides emergency assistance and non-emergency referrals to local organizations that can assist in times of need. It is a vital resource during natural disasters by helping to coordinate resources and share information. We work diligently throughout the year to keep our referral resources updated to best serve the public.

2.1.1

2024 Reflections & the Future

In 2024-25, we are celebrating our **40th Anniversary** as a United Way and reflecting on where we started and where we want to grow these next 40 years. Turning 40 is a milestone year for most of us and it's no different for our United Way. This year we looked back at our humble beginnings in 1984 as the United Way of Alexander City with 16 agencies, to growing up to become the Lake Martin Area United Way in 1996, to **today**

with 26 partner agencies, 6 community initiatives, and reaching almost 30,000 people annually! We also engaged in updating our Strategic Plan, our Mission Statement and Vision Statements to better reflect who we are as an organization today and who we want to be for the next 40 years.

DAY OF ACTION - We planned to host 2 Day of Action events again in 2024, but Mother Nature threw us a curve ball and we had to cancel the day in Coosa County, but we'll be back to Central High School in 2025! We were able to host a very successful Day of Action at **Alexander City Middle School and Horseshoe Bend Schools on June 21**. We are so very thankful to the **95 volunteers** who came out to help clean, paint, landscape, and beautify the schools on a very hot June morning. A special thank you to our 2024 sponsors: The Home Depot Alex City, Russell Do It Center, CMC Recycling, Karen Channell State Farm, District 2 Commissioner Steve Robinson, TLC Real Estate and the Alexander City City Council. Thank you to EVERYONE who helped to make Day of Action 2024 a huge success!!

5th Annual Lake Martin Wedding & Event Expo ~ We were excited to host our annual Lake Martin Wedding & Event Expo on February 25 at the historic Mitchell House in Dadeville, which brought in **over \$2,500 for our campaign**.

We are also **grateful to our friends at Niffers at Lake Martin** for hosting **Charity Bingo** which raised another **\$2,700** for the campaign.

We have a few new things planned for 2025 and can't wait to share all the details soon!

The Lake Martin Area continues to grow and we were **excited to welcome Publix Supermarkets to our area in November 2024**. Publix is the #1 Global Corporate Leader with United Way Worldwide with a long history of community support. We look forward to building new relationships with our local store and working together to help our community continue to grow and thrive!

Fair Share Sponsors

Thank you to our 2025 Fair Share Card Sponsors. These 13 area business offer wonderful discounts to those donor who give their "Fair Share" each year. Fair Share is generally recognized as the equivalent of donating 1 hours pay per month.

Thank you to these wonderful sponsors in helping us thank these donors for their support!
